Cetacaine Topical Anesthetic Gel 32 g
Item #0217

Cetacaine[®]

Topical Anesthetic Gel Featuring Pump-Top Dispenser

What Cetacaine Offers

- **Brand Recognition and Loyalty:** It's the trusted "Cetacaine" brand name, well known for over 50 years (yes, it's that "little yellow spray bottle" in a different dosage form).
- **3 in 1 Formula:** A three active ingredient prescription (Rx) Topical Anesthetic Gel.
- **Unique Pump-Top Dispenser:** Makes application easy while minimizing cross contamination. No dipping of swabs necessary.
- **Applies Easily and Consistently:** Body temperature melts gel to facilitate absorption into tissue.
- **Value-added Customer Programs:** Cetylite offers full support programs, with special promotions, advertising, and value pricing, along with a highly trained local sales team. For more information, please call a customer relations representative to answer your questions.
- **Customer Satisfaction:** Cetylite offers a 100% money back guarantee and quality satisfaction to your customers!
- **Convenient Reorder Options:**
 - New Cetacaine Liquid Clinical Kit (Item #0212)
 - Refill bottle 30 g (Item #0211)
 - Refill bottle 14 g (Item #0203)
 - Cetacaine Gel (Item #0217)
 - Cetacaine Spray (Item #0201)
